Please convey the appreciation of the Membership of San Mateo Church of Christ to Mr. Troy Miller, Mr. Tom Turner and Mr. Bill Giolito, for the excellent professional manner displayed during the re-roofing of Our Church Building.

The Members are very pleased. The new roof, not only looks great; we know that it is! Western Roofing was chosen because of the weight, warranty, price and recommendation of satisfied customers, Western Roofing Systems was selected because of the courteous, knowledgeable and thorough presentation of product and work required. Also, their excellent rating with the State License Board.

Mr. Turner, Mr. Miller and Mr. Giolito were on the job monitoring/supervising each procedure, from tear-off to clean-up. Resulting in the job being completed in a professional and timely manner.
